Montrose, Angus

Population 11,955

Montrose is in Angus. It was a seaside town with a natural harbour. It traded local products such as hides and fish. The natural harbour attracted development during the oil boom. Industries today include food processing, engineering, pharmaceuticals (GlaxoSmithKline) and oil related industries.

Social and council housing are the norm in these large towns. Manufacturing and construction are the dominant forms of employment. Health and social work services are particularly active. There is a relatively high level of unemployment. Educational attainment is low. Car ownership is low, meaning that many residents in these towns are reliant on public transport.

Montrose is an independent to interdependent town.

Its most similar towns are Hawick, and Stranraer.

To gain more insight into Montrose, compare it to any of the other towns included in USP.
